determination of the completeness of an application does not operate as an approval of the application for the license and does not confer eligibility of an applicant determined otherwise ineligible for issuance of a license. The tolling of the 90-day time period under this subsection does not allow the administrator to otherwise delay the processing of the application, and that application, upon completion, shall be placed in sequence with other complete applications received at that same time.

(3) If the administrator fails to issue or deny a license within the time required by this section, the administrator shall return the license fee and shall reduce the license fee for the applicant's next renewal application, if any, by 15%. The administrator shall not discriminate against an applicant in the processing of the application based upon the fact that the license fee was refunded or discounted under this subsection.

(4) Beginning October 1, 2005, the administrator shall submit a report by December 1 of each year to the standing committees of the senate and house of representatives concerned with commerce issues and to the appropriations subcommittees of the senate and house of representatives generally responsible for appropriations to the office of financial and insurance services. The administrator shall include all of the following information in the report concerning the preceding fiscal year:

(a) The number of initial and renewal applications the administrator received and completed within the 90-day time period described in subsection (1).

(b) The number of applications denied.

(c) The number of applicants not issued a license within the 90-day time period and the amount of money returned to licensees and registrants under subsection (3).
